Letter No.77-F/52-4 dated 18-7-1952.

Sir,

Sub:- ELECTRICITY--Pykara Electricity System--South Kanara District--Extension of supply to Kanhangad.

Ref:- Government Memorandum No.55065-E/52-1 dated the 14th July 1952.

Extension of supply of power to Kanhangad in South Kanara District is contemplated in the major proposal for extension of supply to Peyyanur cum Nileshwar Khadi Centre. This scheme was first examined and found unremunerative on one year basis and a report has also been sent to Government in my letter No.77-F/52-1 dated 22-4-1952. As stated therein, the Superintending Engineer, Pykara Electricity System was requested to reexamine the scheme on ten year basis. It is since reported by the Superintending Engineer, Pykara Electricity System, that the load survey has been completed and that the extension is being finalised in the field and it will be submitted as soon as it is received and scrutinised by him. A report is also being sent to Government separately.

For Chief Operation Engineer
(South).

NOTE FOR ANSWERING SUPPLEMENTARIES.

Legislative Assembly Question No.634 (Starred) by Sri T. Anant Pai, M.L.A.

P 11 cf in Rf

In April 1952, the Chief Operation Engineer Engineer (South) reported that a proposal for extension of supply of electricity to Payyanur cum Nileshwar Khadi Centre including Kanhangad village had been examined already by the Superintending Engineer, Pykara Electricity System and found unremunerative as the return worked out to only 7.7% on the capital outlay. A large amount of deficit of about Rs.34,000 was to be met from Taluk funds to make the extension remunerative. The Superintending Engineer, Pykara Electricity System had however, been requested to re-examine the scheme on ten year basis and this was being taken up. The Chief Operation Engineer (South) reported that further action would be taken up on completion of the investigation. It is now reported

P 13 cf

that the load survey covered by the Payyanur cum Nileshwar Khadi Centre has been completed and that a major proposal on 10 year basis is being finalised in the field. The Superintending Engineer, Pykara System has promised to submit the scheme after it is received from the field and after scrutiny in his office.

P 5-6 cf in Rf

2. It may be mentioned in this connection that the Pallikere Panchayat Board has also requested Govt. to include Pallikere village also in the scheme referred to above. The Chief Operation Engineer (South) has reported that the load demand in Pallikere village is not very encouraging and that if this village is ~~not~~ ~~xxxy~~ included in the 10 year scheme referred to above, the major proposal will become unremunerative. It is not, therefore, advantageous to

Para 2, p 19 cf in Rf

15

include Pallikere village in the major 10 year scheme. Proposal for supply to Pallikere will be taken up for consideration by the Superintending Engineer, Pykara System, when there is an appreciable increase in load demand at the place. The Pallikere Panchayat Board is being informed accordingly.

Para 2. proposed

No.5249F/52-1 dated 1-10-52.

Sir,

Sub:- Electricity - South Kanara District - Extension of supply.

Ref:- Government Memo.No.55065E/52-4 dated 11-8-52.

1. Two schemes for acquiring and improving (1) the Udipi Electrical undertaking in Udipi Taluq and (2) the Karkala Thermal scheme in Karkala Taluq in South Canara District at an estimated cost of Rs.(1) 8,62,000/- and (ii) Rs.61,700/- in the first year rising to Rs.88,460/- at the end of 3rd year of operation were sanctioned in G.O.No.Ms.371 dated 25-1-52 and G.O.No.2163 dated 24-5-51 respectively. The first scheme contemplates supply of power to villages Viz (1) Kalyanpur (2) Koduvayur (3) Malpae (4) Udiyavar (5) Brahmawar (6) Mabukal (7) Katapadi and (8) Kapu, besides Udipi and Manipal, which are already having supply. The scheme is under execution and power supply to these new villages will be given before the end of this year.

2. As regards the Karkala Thermal Scheme the new diesel set has been installed and commissioned into service. Additional services are being connected up.

Sir,

Sub:- Elecy - South Kanara Dt - Extension of supply - Particulars.

Ref:- your letter dt 25-7-52 S.R (P.W)

I am directed to state that two schemes for acquiring and improving (1) the Udipi Electrical Undertaking and (2) the Kankala Thermal Scheme in South Kanara Dt have been sanctioned by the Govt. The first scheme envisages supply of elecy to Kalyanpur, Kodumayur, Halpal, Uliyanar, Brahmavar, Hatenkal, Kalapadi and Kapu besides Udipi and Manipal which are already having power supply. The scheme is under execution and supply of elecy to the above villages is likely to be given before the end of this year. As regards the Kankala Thermal Scheme, a new diesel set has been installed and commissioned into service and additional services are being connected up by the Govt Elecy Dept.

P1 cf

2. In April 1952, the C.O.E.(S) reported that a proposal for extension of supply of electricity to Payyanur cum Nileshwar Khadi Centre including Kanhangad village had been examined already by the S.E., Pykara Elecy.System and found unremunerative as the return worked out to only 7.7% on the capital outlay. A large amount of deficit of about Rs.34,000 was to be met from firka funds to make the extension remunerative. The S.E.

P11 cf in cf

Pykara Elecy.System had however been requested to re-examine the scheme on ten year basis and this is being taken up. The C.O.E.(S) reported that further action will be taken up on completion of the investigation. It is now reported that the load survey covered by the Payyanur cum Nileshwar Khadi Centre has been completed and that a major proposal on 10 year basis is being finalised in the field. The S.E., Pykara System has promised to submit the scheme after it is received from the field and after scrutiny in his office.

3 It may be mentioned in this connection that the Pallikere Panchayat Board has also requested Govt. to include Pallikere village also in the scheme referred to above. The C.O.E.(S) has reported that the load demand in Pallikere village is not very encouraging and that if this village is included in the 10 year scheme referred to above, the major proposal will become unremunerative. It is not therefore advantageous to include Pallikere village in the major 10 year sceheme. Proposal for supply to Pallikere will be taken up for consideration by the S.E., Pykara System when there is an appreciable increase in load demand at the place. The Pallikere Panchayat Board is being informed accordingly.

4 It is presumed that no further information need be called for. The answer to the question may be as follows:

(a) Whether the Govt. have given up the scheme for extension of electricity to Kanhangad in South Kanara from Pykara; and

(a) No.

(b) if not, when is it likely to be completed?

(b) A major proposal on 10 year basis is being finalised ~~in the field~~.

Subject to approval a draft answer is submitted and also a draft Note for answering supplementaries. ~~The file may be circulated to M.(P.W.) for approval.~~ The case may be circulated to M(P.W) for approval.
